Dear Mrs. Zhang Ruiying,

I am delighted to invite you and your colleagues from the Quality and Safety Institute of Agricultural Products, Heilongjiang Academy of Agricultural Sciences, to attend a special training program from Sep. 9, 2019.

The training program which focuses on "Evaluation of taste quality in rice of starch structure" will convene at NIIGATA UNIVERSITY OF PHARMACY AND APPLIED LIFE SCIENCES. Your group will be able to gain practical experiences and learn techniques in the field of rice quality evaluation. We believe that this training program will benefit you and your delegation.

Thank you very much for your interest in our laboratory. We truly look forward to welcoming you delegation in Higashi.

Best regards

Prof. Ken-ichi OHTSUBO, Ph.D.
