Dear Professor Wang Guijiang

I am delighted to invite you and your colleagues to We Grow BC Ltd for 6 days' technical exchange on medicinal hemp in December. In addition, we also will arrange the visit to the University of British Columbia, Benchmark Botanics Inc. and Dr. Ma's Laboratoris Inc. Through the visit, you can learn about the current economic and industrial situation of medicinal hemp in Canada, and the current research technology, including breeding technology and cultivation technology of medicinal hemp. The expenses of the visit, including travel, living expenses, training and insurance, shall be borne by you.
